

Job Title: Coordinator - Women & Girls Mentorship Program

Organization: The Harold Hunter Foundation

Location: New York City, NY

Duration: 10-month Contract

Compensation: \$7,000/year

Job Description:

Overview: The Harold Hunter Foundation, a dynamic nonprofit organization dedicated to enriching the lives of urban youth through skateboarding, is launching a groundbreaking Women & Girls Mentorship Program. This initiative is designed to engage girls at a younger age, providing a safe and supportive space for organic mentoring between women and girls within the skateboarding community—a sport traditionally male-dominated. We are seeking a Coordinator for this program, who will play a vital role in shaping this initiative. This is a 10-month contract position with an annual compensation of \$7,000. Nights and weekends work may be required.

Responsibilities:

- Program Development: Lead the development of the Women & Girls Mentorship Program, including creating and implementing program activities and strategies.
- Engaging Girls: Develop outreach and engagement strategies to involve girls at a younger age in skateboarding, encouraging their participation and fostering a love for the sport.
- Mentorship: Create an environment that supports organic mentorship between women and girls involved in skateboarding. Encourage meaningful connections and the sharing of experiences.
- Inclusivity: Promote an inclusive atmosphere where women and girls can comfortably participate in a traditionally male-dominated sport.
- Education and Empowerment: Provide resources, workshops, and activities that educate and empower girls, helping them build confidence and skills.
- Community Building: Establish strong relationships with women skateboarders, local organizations, and stakeholders to create a strong community within the program.
- Reporting: Maintain records of program activities, outcomes, and the impact of the Women & Girls Mentorship Program. Provide regular reports to the foundation's leadership.

Qualifications:

- Passion for the foundation's mission and a strong commitment to promoting inclusivity and engagement of women and girls in skateboarding.
- Previous experience as a skateboarder, demonstrating a deep understanding of the sport and its unique challenges.
- Availability for nights and weekends work, accommodating the schedules of the program's participants.
- A profound understanding of women in professional sports and the unique dynamics they face.
- Experience in program coordination, community engagement, or working with youth, with a focus on fostering mentorship and empowering girls.
- Strong communication skills to connect with girls, women skateboarders, and the broader community.

- Organizational skills and the ability to manage and implement program activities effectively.

If you're interested in this position and meet the qualifications, please complete [THIS](#) application form and submit your resume outlining your relevant experience as a skateboarder, passion for creating a supportive and empowering space for women and girls within the skateboarding community, and your availability for nights and weekends work.
